

Curricula in English

Norway has a National Curriculum for primary, lower secondary and upper secondary education.

ARTIKKEL | SIST ENDRET: 01.08.2022

The core curriculum applies to all primary and secondary education and training in Norway.

The National Curriculum is called "Kunnskapsløftet 2020" and it is valid for different years and subjects. Some of the curriculum is translated to English. See "Kunnskapsløftet 2020" translated to English.
